

What our customers say

At PCI we take great pride in the work we do for our clients. Below you can read more about what some of them have had to say about studying with PCI.

Click on the photos below to read the testimonials.

Dick Hogenhout

Teacher, PABO InHolland

When you move abroad, learning the language often makes life a lot easier. This is the experience of a group of students at PABO InHolland, an Alkmaar-based training college for primary school teachers.

Pierre Sponselee

Director, Woonwaard Housing Association

Just as it is impossible to get clothes to fit perfectly just by measuring your inside leg, a language course is much the same. Like a tailor-made suit, a custom-built course must exactly match a student's needs and give long-lived benefits.
